## MAY FEATURED BUSINESS

PranaRôm is a scientific and medical aromatherapy laboratory that has developed into a leading expert in innovative and natural solutions based on 100% pure and organic chemotyped essential oils. The brand combines centuries of traditional wisdom with a modern scientific. PranaRôm guarantees quality through analyses from three independent laboratories. They honor longstanding relationships with artisan distillers to create more than 250 different chemotyped essential oils and virgin plant oils.
